MXP Demo Site

Welcome

Welcome to the Demo Website! This site is designed to showcase the features and functionalities of the Mars Experience Platform in a realistic environment. You will find interactive elements and sample content that visually accompany the [Mars Brand Site Storybook](#).

Although this site is built on the Pet Nutrition system and utilizes a sample brand theme, the individual components are designed to flex across all brand segments. If you have any questions or need assistance during your visit, please feel free to reach out to your Mars representative.

[**A Special Animal-Assisted Therapy Program Greece**](#)

This provides an opportunity to expand this highly significant initiative, with even more dogs and a greater number of patients. The support and funding from the Royal Canin Foundation enable to ensure the continuous and smooth operation of the program, as well as the training and care of therapy dogs, until 2025.
